## Making a commitment to regular financial support helps...

- To sustain parish clergy in post serving our community
- To sustain the work and mission of the church with young families and in our schools and to care for the ill, lonely, bereaved and the elderly members of our community
- To maintain our church building – a place of worship at the centre of the community, open for regular services, for major festivals and community events, and for those important family occasions in our lives – baptism, weddings and funerals
- To sustain a Christian message to promote the values which matter to me in my local community and society

## A commitment to giving on regular basis...

- Is the most efficient way of ensuring a regular income for our church
- Enables our Leadership Team to plan ahead and budget with confidence

## You can give by Standing Order or Weekly Envelope...

- If you already make domestic payments by standing order, using the same method to give to the church
  - ✓ Helps you to plan your giving as part of your normal expenditure
  - ✓ Keeps your giving up to date if you cannot be in church for any reason
  - ✓ Avoids the desperate last minute searches for cash to put in an envelope
- It also helps church administration by...
  - ✓ Reducing the need to open, count and record envelopes – and keep them for six years
  - ✓ Being more secure than taking cash to the bank
  - ✓ Ensuring a steady flow of income even when you cannot be at church
